Meeting Wednesday 16th March at 7.30 in the Community Room

To discuss

**2016 MIDGLEY OPEN GARDENS AND STUDIOS**

be held on the weekend of 11th and 12th of June

to This is an open meeting for everyone so please come along to find out what will be involved in the weekend.

You may be interested in opening up your garden or studio but there are also lots of other necessary roles for volunteers to take on which all help to make the weekend a success.

Gardens can be large, small or a few pots. They can be formal, wild, or work in progress.

There is no such thing as a typical garden. Midgley is blessed with beautiful environs and fantastic open views as well as secret places. These add hugely to the pleasure of visiting the gardens and it's always a popular weekend which draws in people from far and wide. It will also be the biggest fundraiser of the year. If

you are an Arts and Crafts person, this could be an opportunity to show off your skills and open up your studios and workshops to the visiting public.

Volunteer assistance will be needed with baking, serving refreshments, publicity and publicity material, putting out signs as well as runners on the weekend itself. If

you are interested in being involved with the Open Gardens weekend, but are unable to make the meeting, please contact Anne Holdsworth on 882901

**SHOUT OUT FOR PLANTS**

Please consider sowing extra seeds and taking extra cuttings this spring for selling at the Open Gardens weekend, even if you won't be opening up your own garden.

The more variety, the better, THANK YOU.

### REPAIRING OUR FLOOD DAMAGED PATHS

The floods and torrential rain this winter have caused a huge amount of damage to footpaths in Todmorden and the Upper Calder Valley.

CROWS have a list of paths they need to repair from all over the area, but they need the public's help to identify problems that they know are out there.

To make it easy, they have just introduced a new simple system for people to contact them.

From this week there are 4 ways to report a path problem to CROWS:

- \* Call their new Path Problem Line on 0784 964 0784 and leave a message (why not put this number in your contact list and share it with your walking friends?)
- \* Send a message through CROWS Facebook page.
- \* Email [crows-coop@outlook.com](mailto:crows-coop@outlook.com) (a photo of the problem would help).
- \* Leave a note at Mountain Wild, Hebden Bridge or White Ribbon in Mytholmroyd, or at Todmorden Visitor Centre.

Please tell them about any problem, not just those related to flood damage.
