MIDGLEY FETE

What can we say.....but what amazingly spirited people live in this community.

The weather did its best to put us off - but no...! The folk of Midgley came out in the rain and the wind and had a great time. A huge thank you to everyone who supported this brilliant community event. The icing on the cake is that a profit of £2400 was made which will go towards Community projects.

Very special thanks must of course go to:-

- ◆ All the organisers who have worked for months to get everything needed for the day
- ◆ To the people who tirelessly (well maybe not tirelessly) erected and took down the marquees and gazebos
- ◆ To the kind folk who transported chairs and tables to and from the Rec
- ◆ To the volunteers who ran the stalls and games
- ◆ The catering teams in the Tea Tent, Bar and Barbecue
- ◆ The gardeners who donated plants and ran the ever successful plant stall
- ◆ Everyone who donated raffle prizes and cakes

The people who have helped in any other way, often doing the jobs that go unseen but without whom the fete would not run smoothly.

Lets hope for better weather in 2021

COMMUNITY TALKS

We are always on the look out for people to give a talk about a topic that is of general interest.

If you have one or know someone who we could approach, please contact Jean Tallis 01422 882394 or email jean.tallis@gmail.com

For items to be included in the next newsletter, contact Sandra Tel 883388 or email sandyscott21@ymail.com

Midgley Shop News

People will have noticed that our main bread supplier is now Warburtons. This has proved to be quite a success. If you would like any other items from their range, please leave a message with one of the volunteers.

We now have a range of healthier snacks – again any suggestions would be welcome.

Sales of the smaller bottles of high quality Californian wines have been strong. If you want to try any or buy some more, then do it sooner rather than later as it is unlikely that we can get any more stock.

There will be a **Volunteers Meeting** on Wednesday 17th July at 7.30pm in the Community Room.

If you have ever considered becoming a volunteer and would like to know more about it, then please come along, you will be very welcome.

Finally, we would like to say a big **THANK YOU** to Jennifer Crossley who has decided to stop volunteering in the shop. Not only has she been a volunteer for a long time, but was a member of the Management Group for a number of years.

Thanks Jennifer.
