**THE GREAT WAR—ON THE HOME FRONT**

Our annual talk delivered by the well known Keighley local historian IAN DEWHIRST MBE

Ian is much in demand as a speaker and gets invited all over the country to give his talks  
although he does keep saying that he’s cutting back!

Fortunately for Midgley he is always happy to come back and see us for what has become an annual event.  
Those who regularly attend his talks can testify that no two talks are ever the same, as his huge fund of knowledge  
is ever expanding and is always delivered in his own effortless, inimitable and humorous style.

He was the Keighley reference librarian before his retirement, and received his MBE for services to local history.

**Entry is £3.50 per person to include refreshments.**

The Bar will also be available.

### MIDGLEY VOLUNTEERS WANTED

CROWS is a group of volunteers who maintain and improve the footpath network in the Upper Calder and Ryburne valleys.

We clear vegetation, build stiles, gates and boardwalks, deal with drainage and way-mark routes.

We also monitor and survey paths.

We currently work on Wednesdays and Fridays from about 9.30-2.30 from our base in Mytholmroyd.

We have no-one from Midgley working with us, so we feel we are missing some local knowledge.

If you want to know more about what we do, have a look at our blog at [www.communityrightsofwayservice.blogspot.co.uk](http://www.communityrightsofwayservice.blogspot.co.uk)

Having seen what we do, if you are interested in helping us, or if you have any questions, please get in touch by email to [crows-coop@outlook.com](mailto:crows-coop@outlook.com) or contact us on 07872 960942

### VILLAGE CHRISTMAS CAROLS Sunday 20th December

Don't shoot the messenger but it will soon be that time again!

Watch out for posters going up in December advising the start time in the school car park from where we will once more sing our way through the village to Stocks Farm on Towngate.

Santa will be delivering parcels again to the housebound and those residents aged over 80 along the way. If you know of anyone who wasn't previously on the list but would now qualify, please contact Jean Benson on 885062.

After finishing his deliveries, Santa will meet the children in his grotto at Stocks Farm.

Mulled wine and mince pies will be available for a small donation.

Fruit juice for children will be free

**EVERYONE MOST WELCOME—PLEASE COME ALONG**

**NOTICE :** As a local resident, you may have received a pamphlet/survey from the Calder Valley Conservative Association, which spelled Midgley incorrectly and used the email address of 'midgelymatters'. I have written on behalf of Midgley Matters, asking for them to stop using the name as it is the trading name of a non-political organisation, whose funding may be put at risk from any such perceived association. I have received a reply from the Deputy Chair, and this is available in the shop if anyone would like to see it. In it he explains that there was no intention to use our trading name and confirms that they will not use it in any future literature.

*I would like to assure everyone that Midgley Matters is and always will be a completely non-political organisation.. Jean Bradbury, Chair Midgley Matters Association.*
