A small group of village residents met recently to show their interest in keeping the red telephone box in Midgley and putting it to better use now that it has been de-commissioned.

Everyone had lots of ideas as to how it could be used, including making the box into a focal point for village features.

These could highlight areas that children and adults might be interested in and could reflect Midgley's history, as well as the village of today. The group agreed to look into the practical aspects of retaining the telephone box, as well as possible grants that might be available for developing their ideas further.

## SHOP NEWS - Old £1 coins no longer legal tender

It is hard to believe that on September 1st we began our 14th trading year. During that time we have tried to ensure that the shop serves the community providing basic and 'luxury' foods at the most competitive prices possible.

This sometimes means changing suppliers which was necessary recently. Apologies for the Midgley Eccles cake famine and missing Lemon Curds.

Our success would not be possible without the continuing support of our customers and the fantastic band of volunteers who serve behind the counter and help with buying, ordering and stock management.

## CHRISTMAS IS COMING

Make life easier, order all your Christmas food needs from us and collect it on Dec 23rd. Order forms will be available from November 1st for

Turkeys, sausage, bacon etc supplied by Craggies

Fruit and veg from our regular supplier

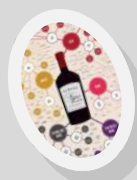

Cream from Longley Farm

Ice Cream from Just Jenny's

Stand pies etc from A J Pies

## AND AS FOR GIFTS

Midgley label wines, craft beer, gift wrapped foods and the full range of Pathway Production CDs of the Calder Valley.

A range of samples will be on display next month.

Lastly, without our volunteers, all this would not be possible.

We are always looking for new volunteers to join us.

It's a great way of making new friends and getting involved in your community.

Whether you can commit to 1 or 2 hours a week, or on a more ad hoc basis, we'd love to hear from you.

Full training and support is given and if serving behind the counter is not for you, then there are plenty of other ways you can help.

If you want to know more, speak to one of the management group below.
